Message from the board

Dear Parents,

An education of the highest quality is the greatest gift that parents can give to their children. The next global generation will need exceptional academic and intellectual creativity to take on positions of leadership and address the many challenges that face our world. Given this, it is essential that the leading schools in the 21st century provide a holistic education to prepare learners for the responsibilities they will face in their lives. One of the most significant character traits that need to be instilled in our youth during their education is a finely ingrained attitude of service before-self. The aim is to make them successful not only in life, but also conscious of their duties and responsibilities towards their fellow citizens.

ODPS exemplify the fact that sky is not the limit in the pursuit of excellence. We aim to promote a system of integral education in a congenial child-friendly environment that emphasises the unity of all knowledge, synthesises humanity and sciences and recognises the fact that each child is unique. The curriculum at ODPS is tailored to meet the needs of today's learners and is sensitive to different learning styles. A plethora of academic and co-curricular activities offer the opportunity to all students to discover various facets of their personalities. Cultural programmes and observance of International and National days showcase their intellectual potential and intrinsic talent. At ODPS, we believe that children need not always be taught to do things; instead, they should be encouraged to explore, discover and learn by reaction, under the caring guidance of teachers. We are pledged to fulfil the expectations of our parent community and set a benchmark that is unparalleled in the field of quality education.

We conclude my message with an invitation to visit the ODPS campus located in the lap of greenery, where teaching and learning is simple and enjoyable, and most importantly, within the reach of students.

Warm Regards

Poonam Singh & Anita Singh

From the principal

Congratulations on taking the first step toward quality education for your child. ODPS is a collective effort of visionaries to offer finest educational opportunity in Shamli. The philosophy of ODPS lies in believing that our children should become the scholars, reformers and leaders of tomorrow but above all, they should be good citizens. To realize this vision, we apply the great thoughts of the renowned world leader, Nelson Mandela - *“Education*

is the most powerful weapon which you can use to change the world.” Quality education goes way beyond theoretical knowledge while also emphasizing on values and skills. This eventually helps young minds to evolve into better individuals and serve the humanity better. At ODPS, the sphere of the knowledge does not just stop in the books and classrooms but is spread across various verticals too, such as cutting-edge technology, outdoor learning, sports activities and infusion of cultural values. This only helps broaden the mindset of our scholars and prepare them to become a global citizen when and as needed. With its premium infrastructure and knowledge-enriched learning environment, ODPS imparts this excellence in students via highly-qualified educators and administrative staff in an all-round development platform. As far as classroom learning is concerned, we are following the Central Board of Secondary Education (CBSE) curriculum, a name synonymous with quality education. At Oshodeep, we believe that education is not just about learning facts but it is about training the mind to think rationally and critically, a belief we share with CBSE. I believe you will make the right decision by choosing Oshodeep, Let's work together towards a liberating education, a better nation and a peaceful world.

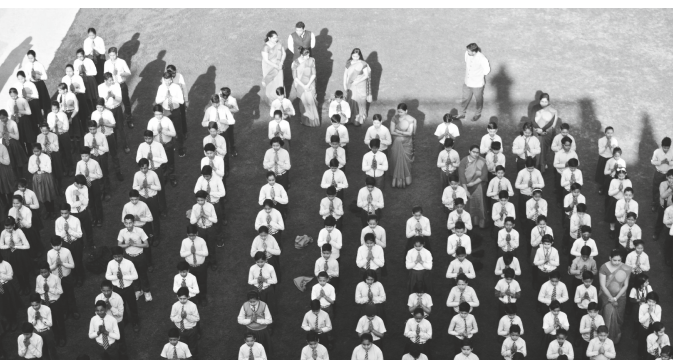

“Education is the kindling of a flame, not the filling of a vessel.”— Socrates.

Mrs. Priyanka Mittal
Principal

The school

ODPS is a K-8, co-educational school. Established to make children well-rounded and self-dependent individuals, the school has a beautiful campus with splendid infrastructural facilities in a tranquil and pollution-free environment. Students and parents at ODPS benefit from our education's experience of over 20 years and the expertise of 40+ teaching staff. The entire gamut of activities in ODPS reflects its objective of nurturing young children and making them responsible adults who can make a positive contribution to the world. A comprehensive academic and co-curricular programme, experienced faculty members, personal attention & care, and state-of-the-art infrastructure collectively ensure that the education a child receives at ODPS, Shamli is holistic and truly international.

ODPS Guiding Statements

Vision and Philosophy

Our vision is to transform children from all backgrounds into educated citizens, inspire them to be just and ethical citizens who will be wise and principled leaders to serve a meritocratic India. We do this by attracting and developing exceptional children and teachers. We also aim to be the most exciting place for educators to work together and develop a centre for excellence. We look outwards and see what we can learn from others in the field of education and training and we invite others to share and participate in what we do.

Mission Statement

ODPS will provide its students with a holistic education, imparted by caring and dedicated faculty members in a contemporary learning environment, by focusing on developing the cognitive, emotional, social, physical, creative and spiritual potential of every child.

The School Motto

The school's motto is "Education Towards Perfection." ODPS strives to empower students with quality education that will warrant them to develop natural abilities, and will nurture them to reach their maximum potential through hard work and determination.

The School Emblem

The School's Emblem exemplifies the school's vision, mission and motto. The design consists of a book with an oil lamp, signifying enlightenment through education.

School's Curriculum

ODPS curriculum uses a variety of engaging teaching and learning methodologies that challenge and motivate learners to excel. It focuses on nurturing in them knowledge and skills essential for success in the 21st century. Inquiry-based and application-oriented approaches across all subjects and age groups enable students to learn about and respect a range of ideas, independently and collaboratively with others. It helps them develop new perspectives and take responsibility for their learning. Our teachers make use of flipped classrooms, project-based learning, brainstorming, interactive lab experiments and self and peer evaluation, to make learning more engaging and effective. Through various scholastic programmes, a range of skills, attributes and values are built and nurtured in students, to ensure the holistic development.

Skills	Attributes	Values
• Analysis	• Open Minded	• Empathy
• Synthesis	• Creative	• Dedication
• Logic	• Global Outlook	• Humility
• Reflection	• Team Spirit	• Integrity
• Presentation	• Leadership	• Respect
• Communication	• Confidence	• Tolerance

Every activity, both inside and outside the classroom, at ODPS contributes towards the learning process in different, but equally meaningful ways. Children are strongly encouraged to participate in every aspect of school-life and receive support and guidance from experienced faculty members at all times.

WHAT MAKE ODPS TRULY DISTINCTIVE

Inside the classroom

- With a low teacher to student ratio, every child receives the personal attention that he/she deserves and needs.
- A broad range of subject areas are taught to provide children with sufficient flexibility when choosing their area of specialization.
- Special emphasis is placed on learning of both Indian and Foreign Language (English).
- Exposures to national and international issues to increase students' awareness.

- Innovative problem-solving techniques, questioning, and active participation in discussions are strongly encouraged to build curiosity and confidence.
- Unique teaching methods are used to make learning a fun, interactive and engaging process.
- A practical, or project-based approach to learning complements traditional and theoretical forms of knowledge building.
- Teachers are approachable and friendly, forming a parent-like association with every child.
- They encourage children to think, question and freely express themselves during lessons.

Outside the classroom

- Yoga, Meditation and Prayer form an integral part of the school curriculum so that students have a calm and unburdened mind.
- A mandatory co-curricular programme ensures that children step out of their comfort zones and endeavour to learn new skills.
- Celebrations of cultural festivals and historic occasions, both national and international, foster a spirit of togetherness amongst children.

- Inter-house and school-wide events are organized to inculcate a spirit of loyalty and healthy competition in the children and to showcase their talents.
- Eminent guests/personalities frequently visit the campus to hold meaningful interactions with students.
- Children are encouraged to initiate and manage student-run Clubs to bring together those with similar interests across academics, sports, arts and other areas.
- Excursions, field trips and off-campus activities are organized frequently to explore varied areas of interest.

Distinguished Faculty

Faculty comprises 50 full time staff, of whom 35 are women.

Staff qualification

Bachelor's degree	30
Master's degree	20

We take staff development as seriously as we do student development. We regularly conduct staff reviews and training sessions to remain on the top of emerging trends in educational field. All of our teachers are trained professionals and children friendly. We believe that children think and learn differently and that intelligence is expressed in a multitude of ways, hence our curriculum has a multifaceted approach to incorporate all intellectual domains. Teachers create an invigorating ambience that kindles the curiosity of every child.

Admission Procedure

ODPS welcomes students to an enriching and joyful learning experience. The admission procedure is completely transparent, and has been designed to ensure a suitable fit between the parents and children expect from the school, and what the school in turn can offer to them.

The school will organize an entrance test, which will be held in school. All applicants will be informed about the date of test well in advance. Admission will be confirmed only after assessing the performance of the child in test. The test will be conducted in under mentioned subjects.

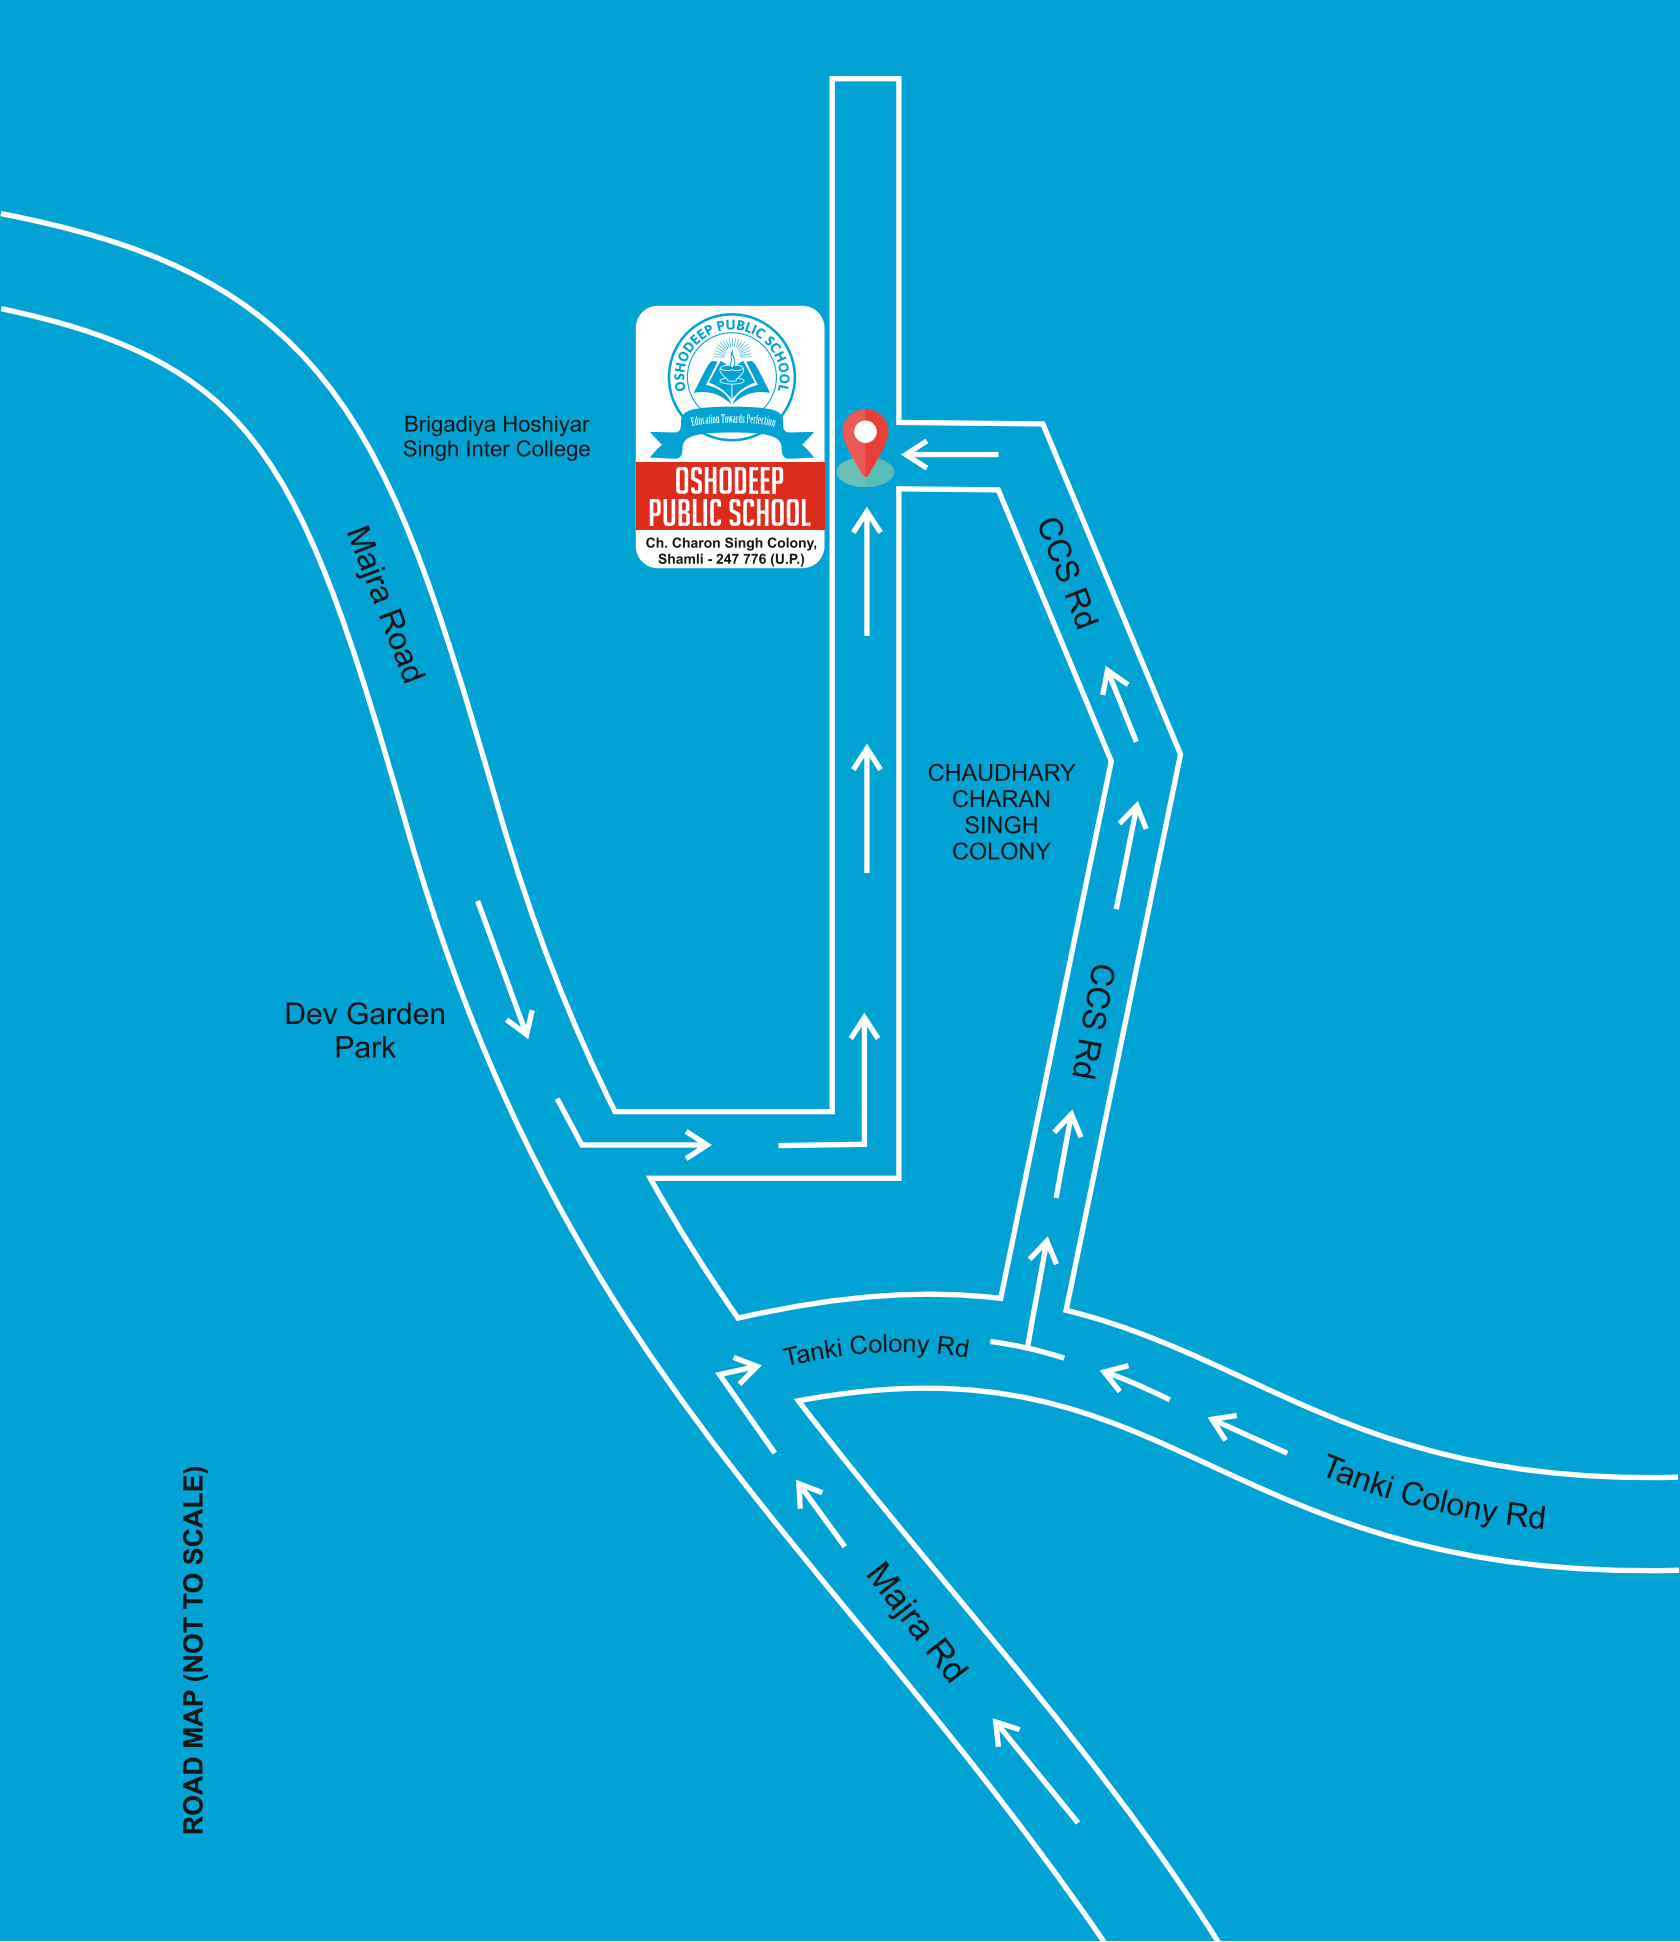

Pre-Nursery : Oral assessment

Class 1 to 6 : Mathematics, English, Environmental Science & Hindi

Classes 7 to 8 : Mathematics, English, Science, Social Science & Hindi

Results of selected students shall be sent to parents individually along with call letter or telephone call.
